Colon Cancer Screening, Simplified!

Order an at-home colon cancer screening kit at no cost. Easily monitor your health from the comfort and privacy of your home.

YMCA Employee Benefits has partnered with LetsGetChecked to offer you this easy-to-use and non-invasive kit to screen for blood in the stool which may indicate the presence of cancerous or precancerous growth in the colon. Get tested.

Order your kit, collect and return your sample (postage-free) to our labs, and get accurate physician-reviewed results in just 2-5 days. It's never been easier!

The kit includes:

-  Everything you need to collect your kit sample
-  Clear and easy to follow instructions
-  Prepaid return shipping to our labs
