

Connect to mental health care from anywhere.

You don't have to manage stress, anxiety, or depression alone. Doctor On Demand® is here to help.

See a top therapist or psychiatrist right on your phone with Doctor On Demand. Find the perfect match for a real connection with a provider you can see again and again.

We make it easy to find the right mental health care, right away.

Connect face-to-face with your therapist or psychiatrist from your phone, tablet, or computer.

Find the right therapist or psychiatrist for you from a diverse network of providers and specialists.

Stop waiting days or weeks for an appointment with providers available every day of the year.

How much does it cost?

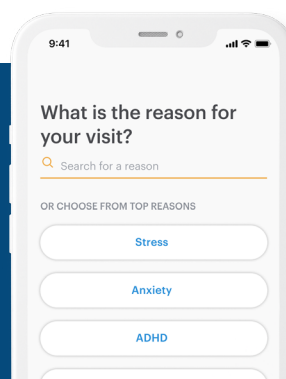

Your visit could be free. To find out, log into the app to see how much a visit will cost.
